

BBS Alternative Fundraiser

We know parents and teachers have had to step up this year more than ever before, spending countless hours helping ensure your children have the best possible school year despite the many challenges presented by COVID-19. We know you don't have time to solicit donations, track pledges, or log minutes read and laps run. This year we are trying something *different*.

This is our only fundraiser for this school year.

___ \$200 I am grateful I did not have to pay the activity fee at registration this year, but I know those costs haven't decreased for BBS despite eliminating the fee. I will gladly donate this amount to BBS.

___ \$100 I love the Read-a-Thon and its emphasis on literacy, but this year I don't have time to call Grandma and Grandpa, Aunt Jane and Uncle Bob to ask them to sponsor my children in the Read-a-Thon. I am happy to skip collecting pledges and tracking minutes read for this year, and will donate the money instead.

___ \$75 I had to wash my child's clothes and hair four times each after last year's Color Run, plus I had to get my car detailed so the seats weren't pink and green. Here is the money I would have spent on the laundry, shampoo and car care.

___ \$50 I often spend at least \$50 at the book fair after begging my child to select actual books to purchase and not just erasers, squishy/smelly pens, locking journals they will never use, dinosaur bones or posters for their already-overcrowded bedroom walls. I am happy to donate this money straight to BBS instead.

\$ _____ (any amount) I love Bright Beginnings School and am grateful for all they have done to keep my child(ren) safe and learning this year.

Parent Name: _____ Phone #: _____

Student Name: _____

Teacher Name: _____

Please return form with check no later than Monday, April 12, or complete the form on our website to donate using a credit card or PayPal account.
